7 responses

5a. What was the best part of this mobility? 7 responses

Firat is sightseeing second is education

All of them were interesting

the best part of this mobility was the possibility of getting to know in the field how to work in different schools in different countries. And of course, knowing and understanding new cultures.

the visit to HATAY

Trying to learn with group

Workshop with 3d scanning

cooperation

5b. What would you have done different in this mobility? 7 responses

3D printers can also be shown to students

Nothing

In general, all the organization work had an excellent performance, so I don't see any suggestions that I can leave.

none

More application would be effective

Nothing, every was prepare on very high level
